

Directions from the front of Buckinghamshire County Council Offices

- Stand with the 'new' County Council office behind you facing the 'old' County Council offices across the road.
- To the left of the old county offices is a footpath leading to a set of steps.
- Take the steps and at the top immediately go left and follow the path round the building through a small arch.
- Judges Lodgings is on the right with steps leading up to the entrance.
- Please note that the meeting room is on the first floor of the building and is accessible only via a flight of stairs (contact the Secretary if this is likely to be a problem).
- You can arrive from around 1:30 (tea and coffee will be available), the meeting will start at 2.
- Someone will be on duty at the door to give access – if no-one is there please knock on the door and we will be with you as soon as possible.
